

**Environmental Education Trip Coordinator and Facilitator**  
with  
Traidhos Barge Program, Bangkok, Thailand

For AY25/26, Traidhos Barge Program is seeking a skilled and passionate educator, able to lead a small staff team in the field and liaise with class teachers to plan and deliver quality learning experiences for mostly primary-aged students in forest, marine and river environments in Thailand.

The successful applicant will have good time management skills, be able to learn quickly, enjoy leading a small team and be capable of leading existing programs as well as creating new programs to meet the teachers' requests for their class fieldtrips.

Graduates with teaching backgrounds and competent in the planning of activity sessions with experience working in environmental education centers or in main-stream classrooms should apply. Life-saving and first aid qualification an advantage.

Traidhos Barge Program provides the platform to develop as an educator in an international setting, working with international schools following IB, British and American curricula. It gives educators the experience of facilitating in tropical rainforests, mangrove forests and interacting with aspects of Thai culture. Group and time management skills will be honed and new techniques and activities added to your repertoire.

Salary THB25,000 – THB30,000, simple accommodation, visa and work permit, Allianz medical insurance.

Applicants should send CV, letter of application explaining suitability for the coordinator and facilitator post, and the email contact of 2 referees to
