

Traidhos Camp Program Summer Season 2024

month	camps	comments
June	2 weeks	Activity Camp, Junior day camp
July	4 weeks of different camps	Activity Camps, English and Activity camps, Junior Day Camp
August	31/2 weeks of different camps	Activity Camps, English and Activity camps, Junior Day Camp

Staff will be allocated to a camp, but within the camp, or at the end of the camp, time off will be scheduled, for each staff member. You should expect to work 5 – 6 days then have 2 days off. Days off may not always be consecutive.

Most camps are residential lasting a week to two weeks at a time. Some campers come for day camps, arriving after breakfast and leaving either late afternoon or after dinner depending on their age.

Most students that have signed up so far are from mainland China.

A typical day is this:

0645 night staff wake up students to get ready for the day'
 0730 night staff bring students to breakfast and meet day staff
 0815 day staff connect with the group and take to English class (with separate English teachers) or start the planned program of activity for the day
 1000 morning snack
 1200 lunch and supervised free play
 1300 afternoon activities or outing
 1500 after noon snack and free play
 1530 activity or swimming on campus Late afternoon night staff join
 1800 dinner and hand over to night staff
 1900 evening game / activity
 2000 bedtime routine, phone time etc
 2115 lights off

It may be that in some camps staff work 3 days day and night then take 2 days off

This will be confirmed closer to the time.

Staff accommodation is provided on campus along with meals in the cafeteria.

Staff may use the pool and fitness room and the campus grounds when not in contact with children.
